Reasons for Allowance

Claims 1-47 are allowed.

This is examiner's statement of reasons for allowance.

The instant invention recites an image sensing apparatus capable of connecting to an external information processing apparatus, comprising:

a controller adapted to change over a control method of the signal processor in accordance with the communication speed of the communication unit.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
